A Sure Foundation I & II

Two subjects are covered in this class. The Integrity of the Word expounds on the truth, surety, and infallibility of God's Word. Christian Philosophy shows us that we all have a system of thought, but challenges us to examine if it is according to the Word or the world.

The Basics of Righteousness I & II

This class teaches about our Spirit, Soul, and Body and Identity in Christ. Spirit, Soul, and Body is a study that explains how our spirits are complete in Jesus if we are born again and how our souls and bodies should relate to our spirits. The Identity in Christ study shows us from Scripture who we are in Christ—our righteousness and justification.

Instructor: Andrew Wommack

Relationship with God I-IV

This study emphasizes four important truths about God and man's relationship with Him. The Nature of God is a study of God that distinguishes between His character and His acts, contrasting the Old Testament with the New Testament. Hardness of Heart deals with one of the major barriers that keep us from accepting all of God's truth. Authority of the Believer helps us receive the blessings God has for us and shows us how to stop Satan from robbing us. God's Not Guilty shows us from Scripture that God is not the author of our problems, nor does He cause bad things to happen to us.

Instructor: Andrew Wommack

Receiving from God I-IV

Healing

The Christian life includes physical health for all who believe. It is as much God's will that we be physically whole as it is that we be born again. Before anyone can have faith for healing, they must be certain of God's will. Faith cannot go beyond the knowledge of God's will and God's ways in the area of health and healing.

This course will establish principles for health and healing and will explain healing in terms of the spirit, soul and body of man. We will learn what is required of us as faith filled Christians, and what is God's part in the process of receiving health in our bodies.

Instructor: Barry Bennett

Excellence in Ministry

This course covers two key aspects of ministry development and success: 1) Identifying and establishing core values your life and ministry are grounded in. Compromise, deception and failure are averted when core values are established in the heart of the minister. 2) The essential leadership principles necessary for the minister to both lead people to fulfill his/her vision and become a leader worth following.

Instructor: Greg Mohr

Bible Covenants

The purpose of this study is to learn about the nature of God as revealed in the covenants He has made with men, in order to develop our faith in God as a way of life today. We will begin with God's covenants with Adam, Abraham, and Israel, and then we will consider the new covenant fully revealed in the New Testament.

Israel - Key to Human Destiny

It is so tiny that no world map can even squeeze its name on the space allotted it on the layout, yet Israel dominates our evening news every night. How is it that this miniscule blob of color with an arrow from the Mediterranean Sea identifying it as a nation, can so engulf the interest of the total human race that it takes precedence on the front page of almost every newspaper and tabloid? Why can one little country of a few million people tie up the wealth, the foreign policy, and the political movements of the greatest nations on earth? Explore these intriguing ideas and more in this class.

Instructor: Delron Shirley

The Heart "Essence" of the Gospel

Instructor: Arthur Meintjes

Guilt, Condemnation and Fear seems to be the motivating factors that define many Christian's lives. Guilt, Condemnation and Fear among believers has been passed down from generation to generation because they have been ignorant of the Heart or "Essence" of the Gospel, and for generations people have struggled to believe the truth of the "Almost too Good to be True Gospel" Because of the ignorance and lack of understanding concerning the Heart or "Essence" of the Gospel, very few people know and relate to God the way that He is revealed in the New Testament. The Heart or "Essence" of the Gospel is all about God revealing His Goodness, Love, Mercy, Grace and Forgiveness and true nature to a Tired, Worn out, and Hopeless world!

Let Freedom Reign

Instructor: Arthur Meintjes

When we talk about freedom, it means different things to different people. For the majority of believers, freedom in a Christian's life is only achieved through great sacrifice and hard work. When we have sacrificed and labored long and hard enough, we are ultimately rewarded with freedom.

In this teaching we will discover that freedom in the New Testament is a gift. Whenever you study the subject of freedom, as seen in the New Testament, there is a fundamental reality that we must understand about true freedom; in Christ we are all born free.

Essential Truths of the New Testament

Instructor: Arthur Meintjes

There are many truths in the Bible, but not all the truths in the Bible are essential and foundational. That means that there are many things in the Bible that are extremely interesting but they are not extremely important. There are also many truths that are important, sometimes even extremely valuable, but they are not essential. The big tragedy is that many times the truths that Christians major on, and build their lives upon, are non-essential or non-foundational truths. It will not necessarily be what you believe about healing or prosperity that will determine whether you will fall or stand when you're sick, or when you're in poverty. It will most probably be what you believe about the essential and foundational truth of the Gospel, because all other truths must be based and founded on this truth in order to work.
